To Whom it may concern

M&P have been known to Leadbitter/Bouygues for a number of years and have completed numerous projects for us in this time.

They have recently completed a 5 storey fit out comprising of high quality lay in grid ceiling tiles with an MF border to eliminate any cut tiles. This project was for a repeat Client of ours so quality was paramount to their business profile.

We have always found M&P very proactive in their commitment towards their work and by extension have always represented Leadbitter previously and now Bouygues-uk in a very professional manner.

M&P are a preferred sub-contractor of Bouygues-uk and I can recommend them for any future projects.

Yours faithfully

Paul Thomson

Project Manager
