To whom it may concern

M & P Contractors Wales Limited have worked for me on a subcontract basis on numerous projects over the last 3 years, these projects being Debenhams Blackpool (New Build) Debenhams Wrexham (New Build) Boots Wrexham (New Build) Boots Stafford (New Build) and Boots Widnes (New Build).

I have always found M&P Contractors Wales Limited to be a very pro-active company with a first class labour resource that always deliver on time with an excellent finish.

Where possible I will always use M&P Contractors Wales Limited as I have 100% confidence that they will always deliver.

Yours Sincerely

J. Hunter
