

19<sup>th</sup> August 2004.

TO WHOM IT MAY CONCERN.

Mark Trevelyan Huntly worked for and supplied labour to ECL Contracts Limited for the fixing of suspended ceilings, metal stud partitioning and lightweight steel framing throughout the 1990's and into 2000 when ECL stopped supplying and fitting ceilings and partitions.

The work was always carried out to a high standard and I would recommend him to any company requiring his services.

Yours faithfully

I.G. NORRIS  
MANAGING DIRECTOR.
