**RE: M&P Contractors Limited**

M&P Contractors Limited have recently completed the SFS, Ceilings, Partitions and Render packages on Llandysul Through School for Willmott Dixon Construction Limited and I would like to take this opportunity to praise them on their quality of work and Operatives.

I would highly commend M&P on their conduct throughout the entire Project from preliminary enquiries, value engineering and problem solving, to their attention to detail and quality of work and attitude of their Operatives throughout the construction period.

Their approach to Health & Safety is second to none. This is evident from the attitudes of the Site Operatives, Site Supervisor through to the Management Team and Mark Huntley their MD.

It has been refreshing to work with a company that understands, and is dedicated to a 'One-team' ethos in order to assist the Willmott Dixon Project Team in delivering an outstanding project, in the most efficient and economical way possible.

M&P take pride in their work and contributed greatly to the overall success of the project, exceeding Client expectations by going above and beyond.

To close, I would like to personally thank everyone at M&P for their efforts and would highly recommend them,

Yours Sincerely

Martin Bennett

Construction Manager
