To whom it may concern

Dear Sirs,

Re : M & P CONTRACTORS (Wales) Ltd

SAS are recognised as one of the leading manufacturers in Europe of bespoke products, which can entail intricate installation.

For a number of years we have used M & P Contractors Wales Ltd on a variety of Projects, where both their Site Managers and their attention to detail have been of the highest standard.

The quality of their work has always been of the utmost and this is born out by the fact that the Projects they have worked on for SAS International have had very minor or no snagging.

Additionally, we have received correspondence from our clients complimenting their ability.

Yours faithfully
for SAS International

D.Bland
Operations Director
