Dear Sir / Madam.

RE: M & P Contractors Wales Ltd.

We are pleased to confirm that the above Contractor has most successfully completed works on our large site at R.A.F. Honington, which consisted of 6 No new accommodation Blocks for Officers.

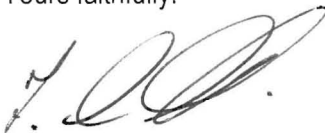

All work has been carried out to the highest possible standards with Safety and the wearing of P.P.E. being a priority by all their employees over the last 9 months whilst on site.

We would recommend this company and believe all employees to be of good character who would fulfil any obligations they may undertake.

Please do not hesitate to contact the writer if you require any further information.

The above reference is given in good faith but without legal liability.

Yours faithfully.

Trevor Williams.
