Dear Mark

Old Brewery Quarter, Cardiff

Thank you for your letter of 22 September 2003, without doubt the Quarter was an extremely ambitious and difficult project.

I would like to say that throughout your contribution to the scheme your site team, who were very easy to work with, acted in a very professional manner.

Your Company's standards of work, assistance with details and keenness to help the job forward were much appreciated.

I would not hesitate to recommend and work with yourselves in the future.

Wishing you and your team all the best.

Yours sincerely
for and on behalf of
Sir Robert McAlpine Ltd
