To whom it may concern,

We are very pleased to provide the following reference as to the conduct and ability, to perform - partitioning and drylining, of M&P Contractors.

M&P have worked on numerous projects with our, and associated companies, on contracts ranging from multistorey offices through to residential and specialist factories.

They have an excellent quality record and are not only reliable, but do care about the projects as a whole and are helpful to all aspects of the projects, not just their own field.

Should you require any further information do not hesitate to contact the undersigned.

Yours faithfully

  
A. Walton
