

Kev,

Just a note from us all up here to say thanks for everything, the project is looking really good and the quality is up there with as good as it gets. We are all appreciative of the effort and help from you guys in helping us getting to where we are.

Particular thanks to Jackson who was fantastic and a breath of fresh air from a SSS point of view, nothing was too much trouble. And lastly a big thankyou to young Jack who has been brilliant over the last couple of weeks, we would have been lost without him, his work ethic and his general attitude is 1<sup>st</sup> class, he will no doubt go on to become a top tradesman and SSS in the future.

Look forward to working with you guys again in the future.

Kind regards
