To whom it may concern please find attached professional work reference for M&P Group on Swansea Arena Project.

In my position as Senior Construction Manager I joined the project 7 months ago and was introduced to M&P Group undertaking the Dry Lining and Firestopping Packages.

Throughout this period I have M&P to be totally professional, in all aspects of their attitude to undertaking a highly complex and very fast track project, namely in their responsibility to carrying out the works safely and to a very high standard that Buckingham Group would expect.

The onsite team are co- operative. forward thinking, and a rare pleasure these days to communicate with.

I would not hesitate to ensure M&P Group would be on all tender lists for any forthcoming works we undertake and would actively encourage their participation.

Please feel free to contact myself on the number attached or andy.hanley@buckinghamgroup.co.uk
