RE: M&P Contractors Limited – Islwyn High School

Dear Sir,

Having recently completed the internal ceilings and partitions at Islwyn High School for Main Contractors Willmott Dixon, I would like to take this opportunity to praise you on their collaborative approach. The quality of finished works and standards of the operatives is second to none and would highly recommend M&P for both internal works and SFS and render works.

I would highly commend M&P on their conduct throughout the entire project from preliminary enquiries, value engineering and assistance in problem solving. The attention to detail and quality standards of your operatives, whilst always maintaining exceptional Health & Safety standards is a credit to the supervisors, management team and the ethos set out by your MD, Mark Huntley.

It has been refreshing to work with a company that understands, and is dedicated to a 'One-team' ethos in order to assist the Willmott Dixon Project Team in delivering an outstanding project, in the most efficient and economical way possible.

M&P take pride in their work and contributed greatly to the overall success of the project, exceeding Client expectations by going above and beyond.

To close, I would like to personally thank everyone at M&P for their efforts and would highly recommend them,

Your Sincerely,

Tom Millard

Construction Manager
Willmott Dixon Construction Ltd
